When trying seems futile, and hope seems all but lost, unity drives us onward and tests our strength until our goal is reached. The friendships made are as strong as our determination and the outcome fruits unforgettable memories.

One of our foreign friends this past year was Jorge Peixoto from Golania, Brazil. He stayed with the Tom Prickett family. This was his first trip to America and Indiana gave him a warm welcome.

He spent his last year of high school at Wawasee. His courses consisted of Spanish, English, U.S. History, Art, and Physical Education. When he returns to Brazil he is required to take a test that will advance him to college. He plans to major in engineering.

In his spare time Jorge enjoys swimming and seeing movies. Sandwiches were his favorite American food and his most widely used English words were "more or less." He hopes to return to the states someday, for he has made many friends here.

By friendship you mean the greatest Love, the greatest usefulness, the most open communication, the noblest sufferings, the severest truth, the heartiest counsel, and the greatest union of minds of which brave men and women are capable.

— J. Taylor

*. . . without words in
friendship, all thoughts
all desires, all
expectations are born and
shared, with joy that
is unacclaimed.*
