Expressions . . .

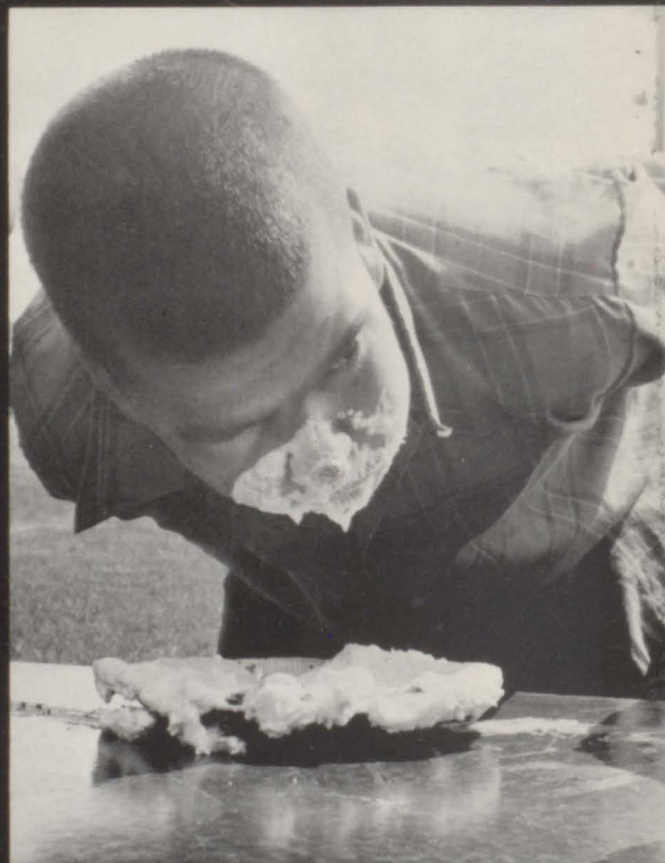

The spirit in every being
is made manifest in the eyes,
the countenance, and in all
bodily movements and gestures.
Our appearances, our words,
our actions are never greater
than ourselves. For the soul
is our house, our eyes its windows,

and our words
its messengers.
Kahlil Gibran

Cheerleaders spark Warrior spirit.

During the year the varsity and junior varsity cheerleaders exhibited many expressions as they led the student body during both football and basketball seasons. Through victories and losses, great and small, one could see many varied expressions; possibly a smile, a clenched fist, an excited jump, a gasp — maybe even a tear. But, whatever the outcome of the game, the girls did their best to keep spirits high. Mrs. Marcia Carpenter and Mrs. Cindy Peterson were their sponsors.

The true light is that which

Every movement and creation in this world is formed by a single thought or emotion inside a man. Everything we see today, made by past generations, was, before its appearance, a thought in the mind of a man or an impulse in the heart of a woman.
