The Senecas are an Indian tribe, Of the Iroquois nation; Down on the New York-Pennsylvania line, You'll find their reservation. After the U.S. revolution, Cornplanter was a chief; He told his tribe these men they could trust That was his true belief; He went down to Independence Hall, And there a treaty signed, That promised peace with the U.S.A., And Indian rights combined; George Washington gave his signature, And the Government gave its hand, They said that now and forever more, This was Indian Land.

Homecoming Candidates Vie for Top Honors.

The 1980 Homecoming candidates, selected by the senior class, were active during the Homecoming week. Each of the candidates had a hectic photography schedule. Ballots were passed out to each grade level for the final vote. On Homecoming night the excitement mounted to an almost unbearable level. As the candidates walked on the field, the spectators began cheering for their favorites. Finally, the big moment arrived; the winners were announced. Brian Roberts and Sandy Lozano captured the runners-up honors, and Chris Darr and Tonda Davis were crowned as the 1980 Homecoming King and Queen.

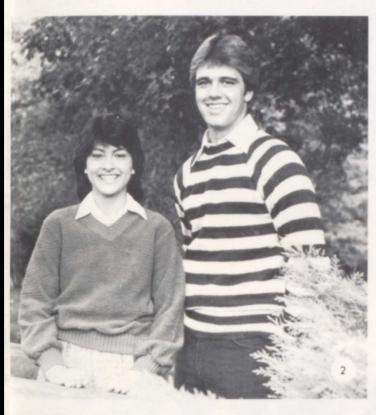

Opposite page: 1. The Homecoming candidates were T. Kroh, T. Davis, D. Godfrey, H. Beer, C. Darr, S. Lozano, B. Roberts, A. Holcomb. 2. Alicia and Brian posed with the totem pole. 3. W.H.S. Goes "Wild" Over Homecoming.

Homecoming week was one of the major festivities of the 1980-81 school year. The Homecoming theme, "The Wild, Wild West," was demonstrated by the different floats. A float was prepared by each class and by some individual clubs for competition. The Deca club received the best club award, the most appropriate award went to the freshman class, the most original award was given to the seniors, and the juniors received top honors with both the best class award and the king and queen trophy.

1. The seniors held up a Rocky Stagecoach. 2. The juniors enjoyed participating in the Homecoming activities.

Drama Club Provides Entertainment.

1. Curt Clevenger as Mr. Antrobus resorted to violence at the climax of the play. 2. Mrs. Antrobus (Deb Bartow) and the telegraph boy (Mike Shock) carried on a conversation while the mammoths (Angie Wise and Kris Sipress) looked on. 3. The cast of *The Skin of Our Teeth* assembled as a group.

The drama department produced two fine plays during the 1980-81 school year. The fall play was The Skin of our Teeth, and the spring play was a Broadway production, Fiddler on the Roof. Both plays were successful, providing entertainment for the connoisseurs of drama. In the spring musical the actors were complemented by the background music of the orchestra under the direction of David Blackwell. Curt Clevenger and Debbie Bartow acted the lead roles in the fall production and in the spring play, Curt Clevenger and Teresa Ogden starred. The long hours of hard work paid off for the cast members as the curtain opened and the show began.

1. The constable (Chris Darr) had an intellectual conversation with the Rabbi (Bob Hickman). 2. Tevye (Curt Clevenger) stepped out of character to talk to the audience and God. 3. The townspeople "boogied" with Golde (Teresa Ogden). 4. Avram (Scot Karbach) was shocked by Yente's (Michelle Wakeland) news of Perchik's (Jeff LeGro) imprisonment.

This year's convocations included not only peoples' time, but their talent. The Air Aces, demonstrated the correct way to throw and catch a frisbee. After their warm-up, they proceeded to show more intricate throws and added music for rhythm. The second performance was musician Sammy Hall, who sang a variety of songs from pop to rock. His final song and theme song was "Keep on Keepin on." We also had a guest speaker John Hannah who was very informative about professional sports. The favorite convocation of the school year was the appearance of a musical group, "Freedom Jam." They started their show with "Yankee Doodle" and sang their way through the years up to songs like, "Whip It" and "Back in Black." It was an interesting show with a little comedy and an Independence theme. Campus Life presented a multi-media show called "Hard Times."

Prom Gives Seniors Their

Last

Seniors enjoyed their "Last Enchantment" at the 1981 prom. After many hours of work, the W.H.S. gym was transformed into King Arthur's Court. The evening was enjoyed by all in attendance with music provided by "Gopher Broke" from Indianapolis, who performed a variety of songs which offered something for everyone.

Ronda Black and Jeff Glon represented the Junior Class during the graduation exercises. 4. Mr. Smith awarded Oscar Hernandez his diploma with a word of congratulations. Opposite page: 1. Senior Class members were recognized for their scholastic achievement. 2. Principal Henry Smith presented the diplomas while Vice-Principal Donn Kesler read the recipients' names. 3. Tammy Webb and Larry Critchfield walked in with anticipation. 4. After the processional, the Seniors remained standing for recognition.

The 1980-81 Senior Class carried out their graduation proceedings on May 17, 1981. The class motto was "The past is my heritage, the present my responsibility, and the future my challenge." The class colors were green and gold, and the flower was a yellow rose. Graduates awaited the day with many different attitudes: fear, sadness, mostly relief. Chris Darr, Senior Class President, spoke on reflections from the four years of fun, disappointments and friendships. The class left the gymnasium with a feeling of accomplishment.

Science **Stimulates** Logical Thinking.

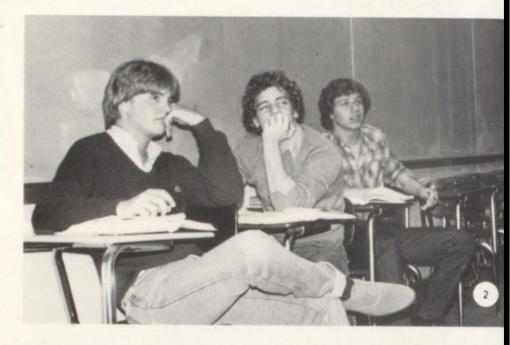

Wawasee students were required to enroll in at least one year of science, beginning with the freshman year. Freshmen were offered a choice between Applied Science and Physical Science, both of which were a formidable opponent. Applied Science was designed to give a simple background in science because the students who took the course usually did not want to continue their science education. The course dealt with known scientific knowledge and other investigations.

Physical Science was a more complex science dealing with properties, chemical makeups and laws of science. Students took this to give them a background suitable for the extra science courses including Biology I, BSCS Biology, Advanced Biology, Freshwater Ecology, Chemistry, Physics, and Human Physiology.

Social Sciences Are Interesting.

Juniors were required to take one year of United States History, which dealt with the settling of the colonies and led into the ups and downs of the United States in areas of economics, agriculture, labor, and other areas of historical occurrences. Seniors, however, could choose between a year of United States Government and a semester (18 weeks) each of sociology and psychology. Records were broken in different track and field events, and all tracksters performed to the best of their abilities. As there were not many seniors on the team, the Warriors should do even better next year.

1. Brad Jackson did his usual thing. 2. The Warrior Track team members were **Row 1**: M. Brian, M. LeCount, M. Hernandez, B. LeCount, R. Elias, R. Zerler, K. Blade, M. Coy, T. Cox; **Row 2**: J. Rhodes, D. Grisamer, D. Doll, K. Harney, R. Schwartz, J. Krizman, B. Walls, J. Thorn, T. Reiff, L. Perkins, F. Cone, R. Bush, R. Prado; **Row 3**: R. Dickerhoof, L. Chase, S. Hunter, D. Roulo, K. Marks, J. Bales, B. Jackson, B. Geiger, B. Burnett, S. Badskey, S. Crouch, F. Garza, P. Taylor, K. Stichter.

They Run Like the Wind!

1. Kirk Stichter had the lead. 2. Did Ron Dickerhoof and Joe Krizman know their picture was being taken? 3. Linc Perkins jumped for the record. 4. Mark Coy, Bob Mansfield, Coach Minton, Randy Bush, and Ron Schwartz discussed their strategy.

does your kitchen fit like this?

The sleeves too long, the cabinets too low. The hem too wide, the sink too small. Too much frill, not enough counter space. It goes on and on.

We custom-tailor a kitchen to fit you and your life style.

And—when your kitchen is tailored just for you—everybody knows - it. Especially you.

See our Wood-Mode display soon.
