You've shown me things Within myself, That I'd never seen before. When "evil doers" Tempted me, You quickly closed the doors. You've understood my feelings, And through you, I have too. And you have stood behind me, In all I wished to do. These things have meant The world to me, But soon our times will end. But you have been What I needed most; For you have been My Friend!

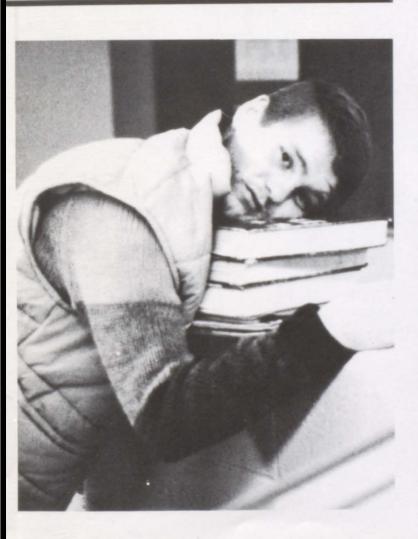

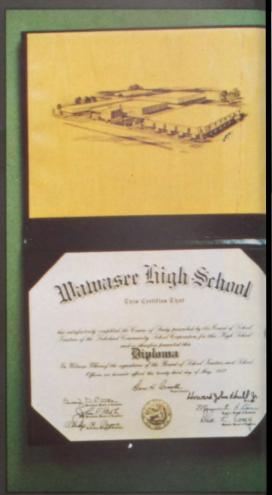

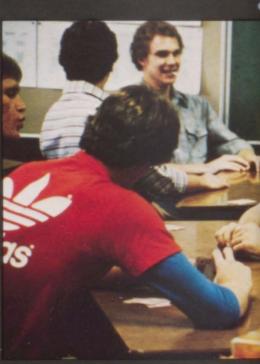

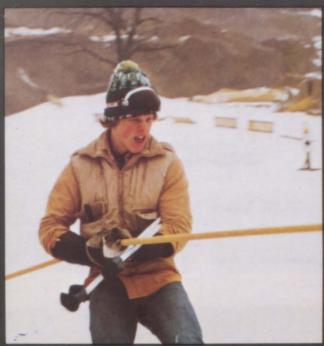

When school began in September 1982, we students of Wawasee High School took our first step of many for the school year of 1982-83. Each of us was stepping along his own path with varied interests—sports, music academic courses, vocational studies, or other paths. Each path had its own victories and defeats, but time did not stand still and we proceeded on,

learning and preparing for the next goal of life. Along the way we encountered many friends who were preparing for the next step of life. This year was a tremendous one, full of joys and heartbreaks; but each day we found ourselves one step closer to the opportunities of life. We will always hold fond memories of Wawasee High School in our lives.

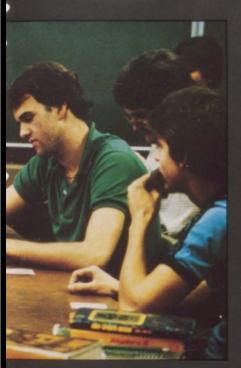

#### Wawasee Royalty

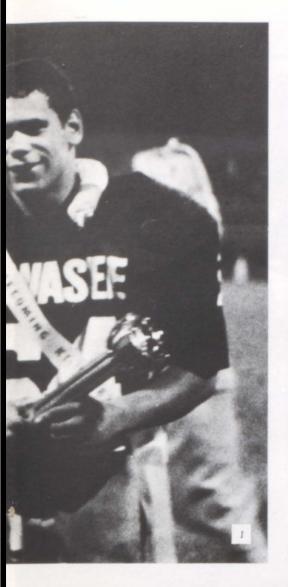

The 1982 Homecoming King and Queen candidates were very active during Homecoming week, October 4-8. Each candidate participated in photo sessions for local newspapers and yearbook pictures. The candidates were nominated by their senior classmates. Each student of the entire student body cast his ballot for his or her choice. The ballots were then counted. Finally, on Friday, October 8, the following Homecoming King and Queen candidates walked onto the football field to await the crowning: Annette Bushong, Jennifer Darr, Krista Everts, and Laura Hole. Eric Beer, Tim Crum, Jay Glon, and Ross Dahlstrom. When the moment finally arrived, Eric Beer and Annette Bushong were crowned the 1982 Homecoming King and Queen. The runnerup honors went to Ross Dahlstrom and Krista Everts.

Homecoming 1982, including the game itself and the preceding festivities, proved to be one of the most successful and exciting events of the year. This year's theme was Commercial Cavalcade.

The Thursday activities included the annual Powder Puff football game, with the Juniors winning over the Seniors as well as the Freshmen beating the Sophomores. The Thursday night bonfire got off to a start with the burning of a Plymouth Rockie! Chants, cheers, and music filtered throughout the night.

Friday brought around the fall fling activities. The class competition ended with the Seniors winning first place, followed by the Freshmen, Sophomores, and Juniors. All the excitement carried on through Friday night as the mighty Warrior football team took on the Plymouth Rockies. The fans were able to focus their attention on the halftime presentation which included the banner contest and crowning of the Homecoming King and Queen. The banner competition winners were Seniors—best class banner, Sophomores—best theme, Yearbook—best club banner. Art Club—most original and second place club banner. The Homecoming King and Queen were Eric Beer and Annette Bushong. The Warrior football team continued a hard battle with a victory of 9-7. The game was followed by a victory dance featuring Foretress.

# You Deserve A Break Today

The 1982-83 school year was filled with exciting convocations. The orchestra and choir gave a preview of their evening Christmas concert. The actors and actresses of Wawasee's Broadway performed various skits from South Pacific. The producers of "Stampede" entertained us with movie clips shown on three movie screens. The theme of "Stampede" was based on a person's future goals and values. Sergeant Bill Essex gave a presentation on drug and alcohol addiction. Along with a movie, this convocation gave a clear view on drug abuse and its problems. Finally, "Future Challengers' gave students an idea of advancement in the future. "Future Challengers" was sponsored by the Pepsi-Cola Bottling Company and radio station 97 with an appearance from Beau Summers. Students also had a time to release their spirit during the many pep sessions through the year. Covocations gave students a break from their daily schedules and time to relax.
