STUDENT LIFE

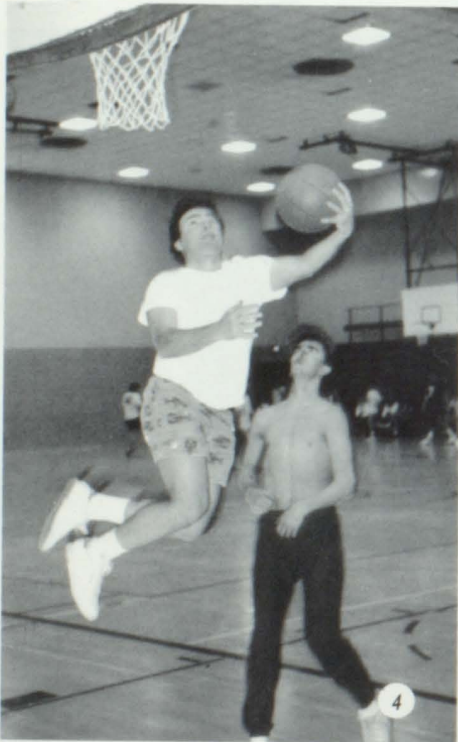

This year for the students at Wawasee High School was a very exciting one. Student fads ranged from acid washed jeans and camp shoes, to big bulky sweaters. Wawasee High School had seven new exchange students from different countries. Intramurals involved playing basketball and volleyball two nights a week. Homecoming was very exciting as always. The students battled it out for points in different competitions. The fall play **Broadway Showtime** was held on the weekend of November 14th and 15th, with all sorts of Broadway music. In convocations we had Campus Life with its multi-media presentation and Astronaut Jim Irwin spoke. Prom was held for the Seniors on May 7, and Graduation was held on May 29.

Sunday, May 29, 1988, was the day that the twentieth class graduated from Wawasee. Jerlyn Sponseller, who was senior class president, began commencement by welcoming the seniors. UNDERCLASSMEN

1

The underclassmen were very important to Wawasee; they were the majority of the school. Looking toward into their senior year, each class raised money to help with expenses. The freshmen sold magazines; the sophomores had a chicken barbecue, and the juniors sold knick knacks and jewelry. The underclassmen also had certain requirements and classes that had to be taken such as physical science, phys. ed., health and careers, and history. The underclassmen years always seemed to go so quickly. Before they knew it, they would become seniors.

JUNIORS

The class of '89 had a great time this year. Even with all the classes they were taking, such as A.P. history or regular U.S. history, they found time to have fun. During Homecoming they showed their school spirit by placing 3rd in the float and class skit competition, 2nd in hall decorations, and by conquering the seniors, getting a first in the fall fling competition. They also showed how well they can work together as a class during the junior class fund raiser. They raised approximately \$2500 and donated \$1500 of that to a scholarship in memory of Chris Jordan, who was killed during the summer in a car accident. The juniors this year showed that they were a group to watch out for!

Sophomores

The Sophomores had a great second year at Wawasee. During Homecoming they came in third in hall decoration and fourth in class competition. They had also been saving for their Senior year. One of their projects for this year was the annual chicken B.B.Q. on April 29. The sophomores had lots of fun while experiencing yet another year of high school life.

Freshmen

The freshman class once again sold magazines as a fund raiser for prom. They made \$6,996.45 in sales, 40% of which they got to keep for profit. The top salesmen were Matt Haab, Mike Mattix, and Moni Lange. During homecoming the freshman class was able to compete in 4 competitions: hall decorations, class skit, floats, and the fall fling games. They came in last in hall decorating, second place in the class skit, last in the floats, and third in the games. All in all, the freshmen had a very successful year.

SPORTS

Many of Wawasee's students participated in sports of all kinds throughout the year. They all started practice or conditioning before the season to work on getting in shape. Then the practices began. In practice the athlete found out what he/she was good at and what he/she was not. After finding a speciality, he/she then started working on improving it. When the first meet or game arrived, he/she found out how he/she stood against others. If he/she worked hard enough, at the end of the season his/her work would pay off. Many of the athletes received awards of letters, jackets, and blankets.

Struggle through the Season

The freshman football team, coached by Kerry Murphy and Dave VanLue, finished winless with an 0-7 season. Many new skills and cooperation were developed. There were a few close calls with Northridge 18-28, and Plymouth 12-18. With these new traits a strong football team should emerge next season. Perhaps they will be the next class to "Roam to the Dome".

Varsity Girls Show Effort

This year's varsity girls' basketball team had a good year considering the teams they played. There were many great performances from all of the girls, and they all put forth a strong effort. They finished the season by being sectional runner up and tying for fifth place with Goshen in the NLC. This was also the last year for Coach Dale Brannock. In the years that he was varsity coach, he led the girls' teams to 5 sectional champs, 2 sectional runners up, and 2nd in state. Coach Brannock's expertise on the floor will be missed.

Coach To A Victory

There were 28 people who helped our athletic teams this year. They put in many hours and worked very hard. They helped to make the teams better. Who were these people? They were the coaches, of course. The coaches did more than most students realized. They became managers if necessary, trainers if needed, plus all that was entailed with coaching. They made the athletes work hard so that they would improve as a team and as individuals. They taught much about sports and life. Thanks!

Muy Bien FLC

FLC started off the year by having a candy sale to raise money. Part of that money went towards a dinner at the Hacienda in Mishawaka. The rest of the money went towards a taco dinner during a school meeting in April. The club also put on small programs in Spanish and German and learned how to count and sing a variety of songs in all kinds of different languages. FLC members brought in slides of where they lived and the club sat and watched the slides during a homeroom meeting. FLC met once a month in the Spanish room.

Monday, February 1, the members of FEA had a two-hour workshop in which Marge Hepler from South Bend showed the members what to do. FEA members were sent out in pairs to fourth and fifth grades in our community. Members also had an activity which was called the Elf Program. The participating club members were assigned a teacher. Then these students left little messages or gifts for their teachers without using their real names. The teachers then wrote them back and left the notes on the "elf shelf" in the mail room so that they didn't see their elves receiving their letters.

These members also made suggestions to the student body, administration, the faculty, the superintendent and/or the school board. ADS

As always, the Legend staff visited the towns of Milford, Syracuse, and North Webster to sell ads. The local merchants bought different sizes to be put in the yearbook. After the ads were bought, the yearbook members working on the ad section started to design the ads the way the businesses wanted. There were 4 different sizes they could buy: 1/4, 1/2, full page, or patron page. Many of the local businesses supported the yearbook by buying ads.

1. The Augsburgers Super Valu grocery store always purchases an ad. 2. The Ivy Hut Restaurant is located in Wawasee Village. 3. The Dairy Queen Brazier serves the town of Syracuse.

Five New Teachers

This year WHS had an addition of 5 new teachers. They were Nance Ashpole—Spanish, English; Andrew Gephard—German, Spanish; Eileen Torrence—Latin, English; William Hassan—Geometry, General Math; Dave McGuire—Special Needs. Many of the WHS faculty members helped with activities besides teaching. They helped with sponsoring homerooms and class projects such as the freshman magazine sales, the sophomore chicken BBQ, the junior money raiser, and senior prom and graduation.

1. Mrs. Pletcher likes her new tie. 2. Mr. Neff is ready for computer class. 3. Mrs. Leach thinks her class is really funny.
